

F. No. CPS 2-22/2015-NFSM
Government of India
Ministry of Agriculture
(NFSM)

Krishi Bhawan, New Delhi
Dated 27th May 2015

To,

The Commissioner of Agriculture,
Pant Krishi Bhwan, Jaipur

(Email: jdagr_wuc@rediffmail.com)

Subject: Implementation of NFSM during 2015-16- Approval of Action Plan for Rajasthan-regarding.

Sir,

Kindly refer to your letter F.No. 8(1) Dag/WUC/NFSM/AP/2015-16/829-32 dated 25/5/2015 enclosing a copy of Action Plan for NFSM for the year 2015-16. The Action Plan has been examined and our comments are as follow:

1. State has developed the action plan for Wheat, pulses and coarse cereals for Rs.3084.8 lakh, Rs. 22617.09 lakh and Rs.8417.66 lakh for wheat, pulses and coarse Cereals respectively. State has not considered the contribution of matching share of unspent balance by the state.
2. Considering the allocation made by GOI for 2015-16, unspent balance of 2014-15 and matching share of unspent balance by the state, crop wise Action Plan for 2015-16 should be developed for Rs.3564.60 Lakh; Rs.27113.18 lakh and Rs.10971.32 Lakh for wheat, pulses and coarse cereals respectively as detailed below;

Total fund available for NFSM during 2015-16 (Rs. In Lakhs)				
Crop	Allocation for 2015-16	Unspent Balance* (GOI)	Unspent balance (State share)	Total funds available 2015-16
Wheat	2605	479.80	479.8	3564.60
Pulses	18121	4496.09	4496.09	27113.18
Coarse Cereals	5864	2553.66	2553.66	10971.32
Total	26590	7529.55	7529.55	41649.1

NFSM-Wheat

3. Cafeteria of interventions for cluster demonstrations of wheat indicates only the physical quantities and not the amount required for these inputs. Please provide intervention wise cafeteria for Rs.7500/ha for cluster demonstrations.

26/5/15

4. Cafeteria of interventions for cropping system based demonstrations for different crop sequences i.e. Moong-wheat; Urd-wheat; Wheat-Bajra and wheat maize is required for Rs,12,500.00 /ha. (Rs.7500/ha for main crop and Rs.5000/ ha for second crop.) . Please provide intervention wise cafeteria of Rs.7500/ha for main crop and Rs.5000/ ha for second crop.

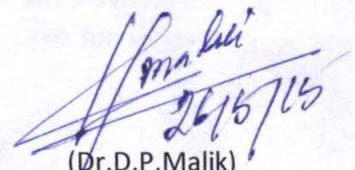

NFSM-Pulses

1. Cafeteria of interventions for cluster demonstrations of pulses indicates only the physical quantities and not the amount required for these inputs. Please provide intervention wise cafeteria for Rs.7500/ha for cluster demonstrations. This should be done for each pulse crop separately.
2. Name of different pulses along with physical and financial to be included in cluster demonstrations is not given.
3. Cafeteria of interventions for cropping system based demonstrations for different crop sequences i.e. Gram-Maize, Gram-Bajra, Gram-Jowar, Moong-gram; Urd-gram, Moong-wheat, Urd-wheat, moong-Barly, Urd Barley and Urd-Rabi maize is required for Rs,12,500.00 /ha. (Rs.7500/ha for main crop and Rs.5000/ ha for second crop).

NFSM-Coarse Cereals

1. Cafeteria of interventions for cluster demonstration of coarse cereals (Maize and Barley) is given which indicates only physical quantities and not the amount required for these inputs. Please provide intervention wise cafeteria for Rs.7500/ha for cluster demonstrations. This should be done for each crop separately. In case the demonstrations are to be conducted on some other coarse cereals then cafeteria for those crops is also required.
2. Name of the crops as well as physical and financial targets are required for distribution of seed of HYV and Hybrids.

Revised Action Plan and other information as indicated above may please be provided at the earliest.

26/5/15

(Dr.D.P.Malik)

Additional Commissioner (Crops)
