(A. Neeraja)
Director (Crops)

Distribution-As per list attached.

varieties should be made available for multiplication by the seed supplying agencies at national and state levels.He highlighted the importance of fodder security along with foodgrain security and suggested Inclusion of fodder development along with coarse cereal development under NFSM in 12thplan.

5. Secretary (A&C) reiterated the importance of strengthening the breeder seed production programme involving the SAUs. He suggested that a publication on various technologies developed by ICAR should be prepared so that the technology transfer could be enriched with content in the extension programmes at the ground level.
