Subject: Implementation of National Food Security Mission during 2015-16, preparation of Action Plan -reg.

Sir,

I am directed to convey that Action Plans for NFSM for the year 2015-16 are to be prepared in accordance with the operational guidelines of NFSM. State-governments are requested to start preparing action plans for each crop component of NFSM in **template enclosed** assuming tentative allocation for 2015-16 to be same as allocation for current year. The actual allocation for 2015-16 will be communicated as soon as it is approved. The likely unspent balance at the end of current financial year is to be added to tentative allocation.

2. While preparing the Annual Action Plan for 2015-16, it may kindly be ensured that the physical targets proposed by the State are realistic, based on area in identified districts for a particular crop taking into consideration the past performance during last three years. The action plans should be duly approved by **State Level Executive Committee** before sending to Government of India.
