

Annexure-III(b)

Pattern of assistance for components of NFSM-Wheat

S. No.	Components	Description	Pattern of assistance
1	Demonstration of improved package of practices	Assistance for improved seed, balanced fertilizer, plant protection, weedicide. Target Area 13 million ha. One demonstration of 0.4 ha at every 50 ha area of wheat. Total number of demonstrations =2.6 lakh	Assistance @ Rs. 2,000 per demonstration
2	Seed Replacement (33% SRR) over 13.0 million ha.	Target area 13 million ha. Desired SRR 33%. Total Seed required @ 100 kg ha seed rate for achieving 33% SRR in 13 m ha = 42.9 lakh Qtl.	Assistance @ Rs. 5 per kg or 50% of the cost, whichever is less
3.	Distribution of Seed Minikit	Target area 13 million ha. One seed minikit of 10 kg at every 50 ha. Total seed required for 1.3 lakh seed minikits =0.13 lakh Qtl every year	Full cost of the seed
4	Incentive for micro nutrients	Targeted area is 5 million ha i.e about 40% of the identified districts and 85% of the deficient area.	<b>In NFSM-Wheat</b> , the package assistance for micronutrients and gypsum will be 50% of the cost limited to Rs. 1,000/-per ha. The states will have flexibility as per the local needs to decide the respective share of gypsum and micronutrients in this package. However, the assistance for gypsum should not exceed Rs. 750/-per ha or 50% of the cost including transport cost, whichever is less. <b>For example</b> , if State seeks assistance for Gypsum @ 50% of the cost or Rs. 750/-per ha, whichever is less, then maximum assistance for micro-nutrients will be Rs. 250/-per ha or 50 % of the cost, whichever is less.

**Annexure-III(b)-contd.**

**Pattern of assistance for components of NFSM-Wheat-contd.**

5	Incentives for Gypsum (Salt affected soils)	Targeted area 2 million ha (About 6 million ha area of targeted districts is in the States of Haryana, Punjab, Part of Uttar Pradesh (eastern and western districts) and Gujarat where /alkalinity is major problem.	The States will have flexibility as per the local needs to decide the respective share of gypsum and micronutrients in this package. However, the assistance for Gypsum should not exceed Rs. 750/-per ha or 50% of the cost including transport cost, whichever is less. <b>For example</b> , if State seeks assistance for Micro-nutrients @ 50% of the cost or Rs. 500/-per ha, whichever is less, then maximum assistance for Gypsum will be Rs. 500/-per ha or 50% of the cost, whichever is less.
6	Zero till Seed drill	Target 75,666 machines	Assistance @ 50% of the cost or Rs. 15000/- per machine, whichever is less
7.	Rotavators	Target 15,000 rotavators	Assistance @ 50% of the cost or Rs. 30000/- per machine, whichever is less.
8.	Multi-crop Planters		Assistance @ 50% of the cost limited to Rs. 15,000/- per machine, whichever is less.
9	Seed Drills		Assistance @ 50% of the cost limited to Rs. 15,000/-per machine, whichever is less.
10	Distribution of Sprinkler sets.		Assistance @ 50% of the cost limited to Rs. 7,500/-per ha, whichever is less.
11	Knap Sack Sprayers.		Assistance @ 50% of the cost limited to Rs. 3,000/-per machine, whichever is less.
12	Pilot project on community generators for irrigation in shallow water table areas	Pilot basis	Rs. 5.0 crores (full cost)
13	Incentive for diesel pumpsets	70,000 pumpsets	Assistance @ 50% of the cost or Rs. 10000 per pumpsets per farmer, whichever is less

**Annexure-III(b)-contd.**

**Pattern of assistance for components of NFSM-Wheat-contd.**

14	Farmers Training on FFS pattern	One FFS at every 1000 ha area of targeted districts. Total FFSs=0.13 lakh	Assistance @Rs. 17,000/- per training
15	International Exposure visit of technical staff	To CYMMIT, Mexico for resource conservation technologies	Assistance @ Rs1.0 crore per year for initial two years
16	Awards for best performing districts	Performance based. One district in each State every two years.	Rs. 5.0 lakh per year (Full cost)
17	Assistance for local initiatives	Project basis	Rs 2.0 crore per district during XI Plan period for those districts which have two or more components of NFSM and Rs. 1.0 crore per district during XI Plan period to those districts which have only one component of NFSM
18	Miscellaneous expenses		Full cost
	(a) Project Management Team and other miscellaneous expenses at <b>district level</b>		Rs. 6.38 lakh per district per year
	(b) Project Management Team and other miscellaneous expenses at <b>State level</b>		Rs. 13.87 lakh per State per year
	(c) Miscellaneous expenses at <b>National level</b>		Rs. 84.56 lakh per year
