AGRICULTURE MINISTER'S KRISHI KARMAN AWARDS FOR PROGRESSIVE FARMERS, 2017-18

Agriculture Minister's Krishi Karman Awards for Progressive Farmers was instituted during 2011-12. The objective of this award/recognition is to send a signal of competition among farmers and encourage them to further enhance the production and productivity of individual crops and thereby foodgrains as a whole. Till 2012-13, these awards were given to two farmers (one male & one female) of the States winning Krishi Karman Award in seven categories i.e. foodgrains (categories I, II & III), rice, wheat, pulses and coarse cereals. From the year 2013-14, oilseed crops was also included. Thus, there are eight categories of Agriculture Minister's Krishi Karman Awards for Progressive Farmers during 2017-18. Each farmer will be given a **cash award of Rs. 2.00 lakh with a Prashasti Patra** in recognition of excellent performance. These farmers are selected by the concerned States.

This booklet is a compilation of details of performance of farmers. It is heartening to note the outstanding performance of women farmers in crop production. The achievements are possible only through sincere efforts of extension personnel at grass root level and farmers' own willingness and support of their family members.

Under the overall guidance of **Shri Sanjay Agarwal**, Secretary (AC&FW), **Dr. S. K. Malhotra**, Agriculture Commissioner and **Shri Vivek Aggarwal**, Joint Secretary (Crops) and supervision of **Dr. S. S. Tomar**, Additional Commissioner (Crops), contribution of team of **Shri R. N. Verma**, Accountant (NFMSM); **Shri Dileep Kumar Tiwari**, Consultant (NFMSM); **Shri Shyoram**, STA (Crops) and **Ms Suman**, Accountant (NFMSM) in collection, compilation of relevant data from State Governments on selected farmers for "**Agriculture Minister's Krishi Karman Awards for Progressive Farmers, 2017-18**" and bringing out this Brochure is highly appreciated.

We dedicate this booklet to the efforts of the farmers and extension machinery of States that has brought these achievements to light. It is because of such efforts that record production and productivity of foodgrains & oilseeds was achieved by the States.

We congratulate the award winning farmers for their achievements.
